Dear Sir or Madam:

This is a request under the Freedom of Information Act for the "issues papers" prepared in your agency in connection with the transition from the Ford to the Carter Administration.

I will be happy to talk with you by phone or in person if necessary to clarify the scope of this request.

It is our belief that these documents should be made available to us without charge because their release is in the public interest. We are willing to pay reasonable fees if you require such payment. But we would like to be notified in advance before any costs are incurred.

Sincerely,

John H. Adams
